ON  
FIELD VISIT**

# INDEX

Sr.	Date	Activity/Location/Name of Company
1	5/3/2022	Manjara Dam & Related Structure
2	03/05/2022	Railway Construction Work (Shri Ram Construction )
3	05/09/2022	Water Supply Pipe Line Construction Work (Pragati Construction)
4	02/12/2022	Road Construction Work (SSN Construction)
5	07/02/2023	Road Construction Work (Sharada Construction)
6	05/03/2023	Residential Building Construction Work (Bharti & Gitte Group)
7	14/04/2023	Manjara Dam & Related Structure
8	21/06/2023	Water Treatment Plant at MIDC, Latur.

In the realm of construction and civil engineering, the significance of practical knowledge is paramount. While theoretical knowledge lays the foundation, it is through site visits that students and professionals bridge the gap between theoretical concepts and practical applications. With over two decades of experience in site management within the construction industry, I've witnessed first-hand the invaluable insights that on-site experiences provide to budding engineers and professionals alike.

## **1. Practical Exposure to Theoretical Concepts**

**a. Understanding Design Principles in Reality:** Observing the practical application of design principles, materials, and construction methodologies on-site enables students to correlate their theoretical knowledge with real-world scenarios.

**b. Material Management:** Site visits expose students to the practical aspects of material management, procurement, and storage, which are crucial for maintaining the quality and cost-effectiveness of a project.

## **2. Risk Management and Safety Protocols**

a. Identifying and Mitigating Risks

b. Safety is Paramount

## **3. Project Management and Coordination**

- a. Scheduling and Time Management
- b. Coordination among Various Departments

#### **4. Quality Control and Assurance**

- a. Ensuring Compliance and Quality
- b. Testing and Quality Assurance

#### **5. Sustainability and Environmental Considerations**

- a. Sustainable Construction Practices
- b. Environmental Impact and Mitigation

#### **6. The Role of Government and Regulatory Bodies**

- a. Compliance with Regulations
- b. Availing Government Schemes and Grants

#### **7. Environmental and Social Responsibility**

- a. Sustainable and Eco-friendly Practices
- b. Community Engagement and Social Impact

#### **8. Labour Management and Human Resources**

- a. Client Expectation and Satisfaction
- b. Stakeholder Management

## **9. Financial Management in Construction**

a. Budgeting and Cost Control

b. Investment and Funding

**Subject:** Request to permit our second year civil students to visit Manjara Dam & related Structures.

Respected Sir,

With reference to subject as cited above our second year civil students (about 80) are planning to visit Manjara Dam & related structures. This tour is as per syllabus of Dr. Babasaheb Ambedkar Technological University, Lonere.

Hence I request you to permit our students to visit above said sites along with our faculties- Prof. Rajput R.P. and Prof. Wale S.V.

Hope you will oblige & do the needful.

Thanking you

We are allowing M.S. Bidve engineering college students to visit manjara dam & canal.

seventy students have visited manjara project & canal

Date - 05/03/2022.

Yours Faithfully,

Principal,

Sub:- Regarding a visit to Railway construction work on 02/05/2022 at 11.00 am.

Sir,  
Our Final year students from the Civil Engineering Branch (2021), along with subject teacher Prof. Kariappa M.S. want to visit Railway construction work on Wednesday, May 03, 2022, at 11 a.m. They have Infrastructure engineering as one of their subjects. For practical knowledge purposes, they need to know the Railway construction work procedure, and different machinery requirements for the Railway construction work.

So I request that you allow us to visit.

I hope for your kind cooperation and permission.

Thanking You.

(M.E. (Mech. (Gen. Engg.))  
Principal

To,  
The Executive Engineer,  
Latur Irrigation Department,  
Division Number-1  
Latur

Subject: Request to permit our second year civil students to visit Manjara Dam & related Structures.

Respected Sir,

With reference to subject as cited above our second year civil students (about 65) are planning to visit Manjara Dam & related structures. This tour is as per syllabus of Dr. Babasaheb Ambedkar Technological University, Lonera.

Hence I request you to permit our students to visit above said sites along with our faculties Prof. Rajput R.P. and Prof. Wale S.V.

Hope you will oblige & do the needful.

Thanking you

*We are allowing M.S. Bidve Engineering College students to visit Manjara Dam.*

*Sixty five students have visited Manjara Dam  
Date - 14/04/2013.*

Yours Faithfully,

  
Principal,

M. S. Bidve Engineering College, Latur

To,

The Executive Engineer (WTP),

Municipal Corporation,

Latur.

Sub.-: Regarding permission to visit the Water Treatment Plant, MIDC, Latur

Sir,

Our <sup>second</sup> final year students from Civil Engineering branch have to visit Water Treatment Plant, MIDC, Latur. For partial fulfilment of practical, they need to know the working & mechanism ( back washing of RSF) of Water Treatment Plant.

So a batch of 75 students along with two faculty members and one staff want to visit on ~~20.6.2023~~ at 11.00 am to Water Treatment Plant, MIDC, Latur  
22.6.2023

I request you to give permission and oblige.

Looking forward for your kind Co-operation and permission.

Your's faithfully,

Principal
