7.1.1 - Measures initiated by the Institution for the promotion of gender equity during the year

Institute organizes various activities throughout the year. In these activities all students, irrespective of gender are given equal opportunities. For example, in every department there is a student's association through that students organizes various events like aptitude test, seminar completion, workshop, tree plantation etc. In this academic year girls students from computer department organizes "Android Development" program for students.

Along with this in campus we have various security measures for students like Installed CCTV, Security guards for girls, Ladies room, Fire security system etc.

For girls counselling, we have been appointed a doctor for their regular health checkup and to maintain hygein.
