# EXPERT TALK- GUEST LECTURES & VALUE ADDITION

## G.S.T UPDATION & AWARENESS

**04 Oct 2025**  
**G.S.T Updation & Awareness**  
**Asst. Prof. Omprakash Kotule Sir.**

### **Outcomes:**

The expert talk on GST Updation & Awareness was organized as a value-addition initiative to enhance students' practical understanding of taxation systems and recent developments in Goods and Services Tax (GST). The session proved to be highly informative and relevant for MBA students, especially those specializing in finance, marketing, and entrepreneurship.

The guest lecture offered valuable insights, real-life experiences, and practical knowledge related to the GST framework and complex tax concepts in a simplified manner, enabling students to gain a broader perspective and deeper understanding.

# EXPERT TALK- GUEST LECTURES & VALUE ADDITION

## G.S.T UPDATION & AWARENESS

### Outcomes:

#### Enhanced Awareness of GST and Its Importance

Students developed a clear understanding of the importance of GST in the Indian taxation system, including its role in unifying indirect taxes, improving compliance, and supporting economic growth. The session highlighted how GST impacts businesses, consumers, and professionals.

#### Understanding of Direct and Indirect Taxation

Students gained clarity on GST registration, tax liabilities, input tax credit, filing of returns, and the responsibilities of businesses under the GST regime. This knowledge is particularly beneficial for students planning careers in finance, accounting, consultancy, or entrepreneurship.

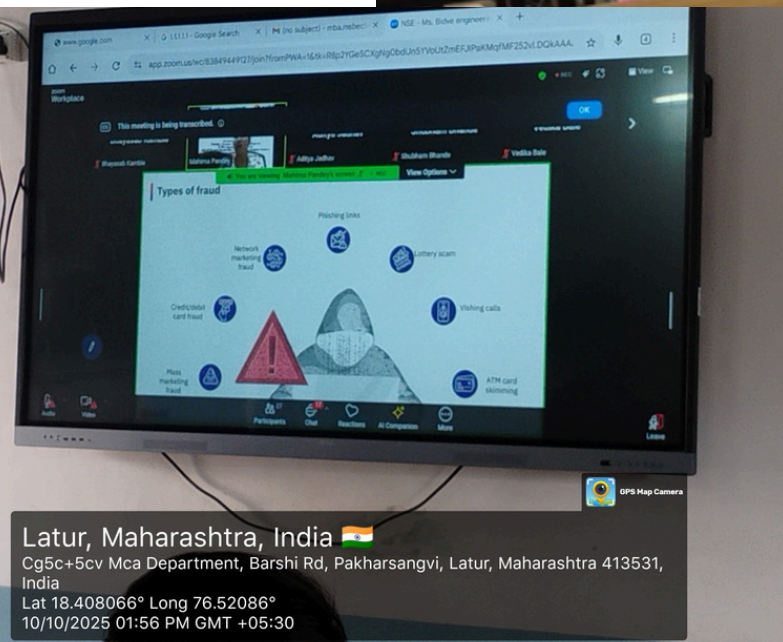

#### Academic and Professional Value Addition

The interactive session encouraged questions and discussions, enhancing student engagement and conceptual clarity. The lecture significantly contributed to students' academic enrichment and professional preparedness by bridging the gap between theoretical concepts and practical application.

# EXPERT TALK- GUEST LECTURES & VALUE ADDITION CAREER GUIDANCE ON FINANCIAL WELLNESS ENHANCEMENT

10 Oct 2025

**Career Guidance on Financial Wellness Enhancement**  
**Mr. Prashant Khairnar, SEBI Certified Financial Trainer, Mumbai**

**Outcomes:**

**Outcomes of the Expert Talk**

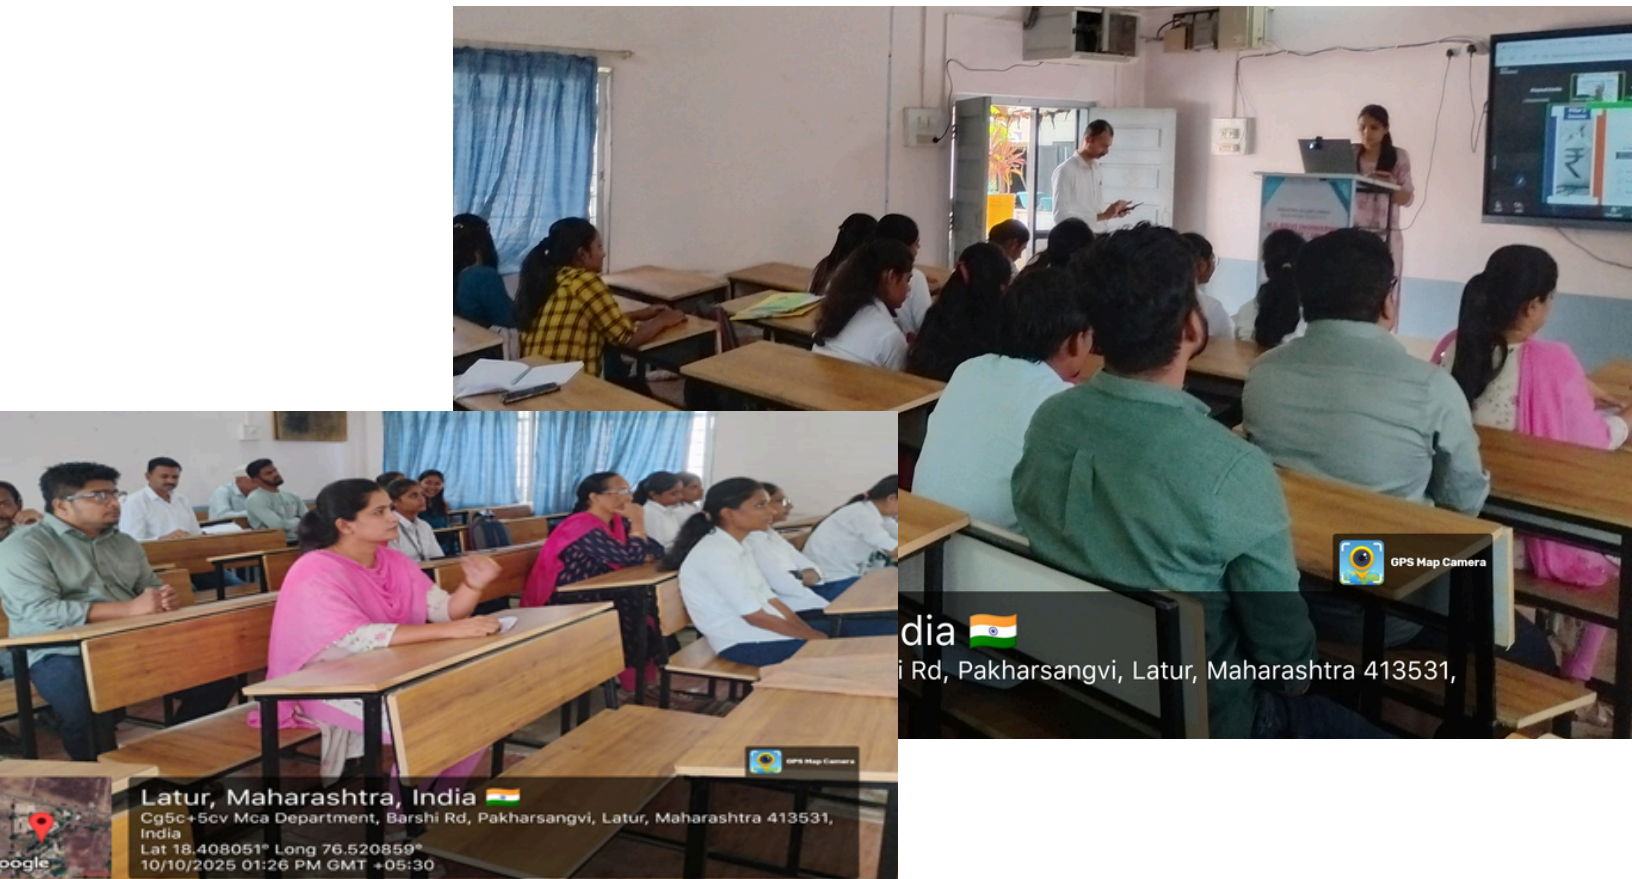

The Expert Talk on Career Guidance on Financial Wellness Enhancement was a highly enriching co-curricular initiative aimed at enhancing students' financial literacy, career awareness, and decision-making capabilities. The session delivered significant academic and practical value to MBA students.

**Enhanced Understanding of Financial Planning and Wealth Management**

Students gained in-depth insights into the fundamentals of financial planning, including budgeting, savings, risk management, and long-term investment strategies. The session helped them understand how financial wellness plays a critical role in personal stability and professional success.

# EXPERT TALK- GUEST LECTURES & VALUE ADDITION CAREER GUIDANCE ON FINANCIAL WELLNESS ENHANCEMENT

## Outcomes:

### Awareness of Career Opportunities in the Finance Domain

The lecture created awareness about diverse career opportunities available in the finance sector, such as financial advisory services, investment planning, wealth management, compliance roles, and entrepreneurial opportunities in financial consulting. Students were encouraged to explore certifications and skill-building pathways for professional growth in finance.

### Development of Financial Discipline and Informed Decision-Making

The session strongly emphasized the importance of financial discipline, goal-based investing, and responsible money management. Students were motivated to make informed financial decisions, avoid common financial mistakes, and develop a long-term approach toward financial independence.

### Interactive Learning and Student Engagement

The expert talk was highly interactive, featuring real-life examples, practical scenarios, and an open discussion forum. Active student participation through questions and discussions strengthened engagement, critical thinking, and peer learning.

## EXCELLENCE GLOBAL SKILL

CORPORATE TRAINING & DEVELOPMENT ORGANIZATION - NAGPUR MH 441401

Mob : 7666105975 / 9325651664

### APPRECIATION LETTER

On behalf of Excellence Global Skill Training and development Organization extend our heartfelt appreciation for your outstanding participation in our Financial Awareness Training Program as on Date **10<sup>th</sup> October 2025, Ms. Bidve engineering college, Latur** Participants engagement and enthusiasm throughout the were truly inspiring, and it is clear that each of you brought a genuine interest in enhancing your financial literacy.

Excellence Global Skill Observed your proactive involvement, thoughtful questions, and willingness to explore complex financial concepts contributed significantly to the program's success. We were particularly impressed by your ability to grasp and apply the principles discussed, reflecting a keen understanding of the importance of financial management in your future endeavors.

The insights and skills you have gained from this program will undoubtedly serve as valuable assets as you navigate your financial journeys ahead. We hope that the knowledge acquired will empower you to make informed decisions and lay a strong foundation for your financial well-being.

Thank you for making the Financial Awareness Training Program a resounding success. Your commitment to learning and personal growth is commendable, and we look forward to seeing how your people apply these skills in your future academic and professional pursuits.

Wishing you continued success and financial prosperity.

*" सुशिक्षित निवेश, सुरक्षित निवेश हमारा उद्देश्य, सुशासित देश "*

Excellence Global Skill Wish all the best to Her team **1. Mr. Zunze Patil [HEAD OF MBA DEPARTMENT]**  
**2. Prof. Namrata Agroya [Co-organizer]** special thanks to the whole team of your organization.

**Your Sincerely,**

Excellence Global Skills  
Proprietor

Outcomes:

Value Addition through Industry Expertise

Interaction with a SEBI Certified Financial Trainer provided students with authentic industry insights, regulatory perspectives, and practical exposure beyond classroom learning. This expert-led session effectively bridged the gap between theoretical concepts and real-world financial practices.

# EXPERT TALK-GUEST LECTURES & VALUE ADDITION- HOW TO BUILD A SUCCESSFUL CAREER AFTER MBA

13 Oct 2025

**Building a Successful Career After MBA**

**Mr. Dipak Kate, Project Manager, Cognizant Technologies, Pune**

## Outcomes:

The session proved to be highly insightful and impactful for the participating MBA students, offering both strategic direction and practical exposure to real-world professional expectations.

### Clarity on Career Planning Post-MBA

Students gained a clear and structured understanding of how to plan their careers after completing an MBA. The session helped them identify various career pathways, including corporate roles, entrepreneurship, and higher professional growth opportunities, enabling them to align their academic learning with long-term career goals.

### Enhanced Awareness of Essential Professional Skills

The discussion emphasized the critical skills required to succeed in today's competitive corporate environment as well as in entrepreneurial ventures. Students developed awareness about communication skills, leadership qualities, problem-solving abilities, adaptability, teamwork, and decision-making skills that are highly valued by employers.

### Practical Guidance on Resume Building and Interview Preparation

Students received hands-on guidance on creating a strong, impactful resume that effectively highlights their skills, academic background, and achievements. Additionally, valuable tips were shared on interview preparation, including how to present oneself confidently, answer interview questions strategically, and meet corporate expectations during the recruitment process.

# EXPERT TALK-GUEST LECTURES & VALUE ADDITION- HOW TO BUILD A SUCCESSFUL CAREER AFTER MBA

13 Oct 2025

**Building a Successful Career After MBA Mr. Dipak Kate, Project  
Manager, Cognizant Technologies, Pune**

**Outcomes: Exposure to Corporate Sector and Startup Ecosystem** The session provided students with real-time insights into corporate sector dynamics and startup culture. They learned about workplace expectations, industry trends, challenges faced by startups, and the mindset required to thrive in both structured corporate environments and fast-growing entrepreneurial ecosystems. **Learning from Industry Expertise** The session offered a valuable learning experience through interaction with an industry expert possessing over 15 years of professional experience. Students benefited from practical examples, real-life case studies, and industry best practices, bridging the gap between academic knowledge and practical application

# EXPERT TALK-GUEST LECTURES & VALUE ADDITION- CAREER OPPORTUNITIES IN CRYPTOCURRENCY

**15 Nov 2025**  
**“Career Opportunities in Cryptocurrency”**  
**Mr. R. Pal**  
**Business Development Manager,**  
**Coin W, Dubai**

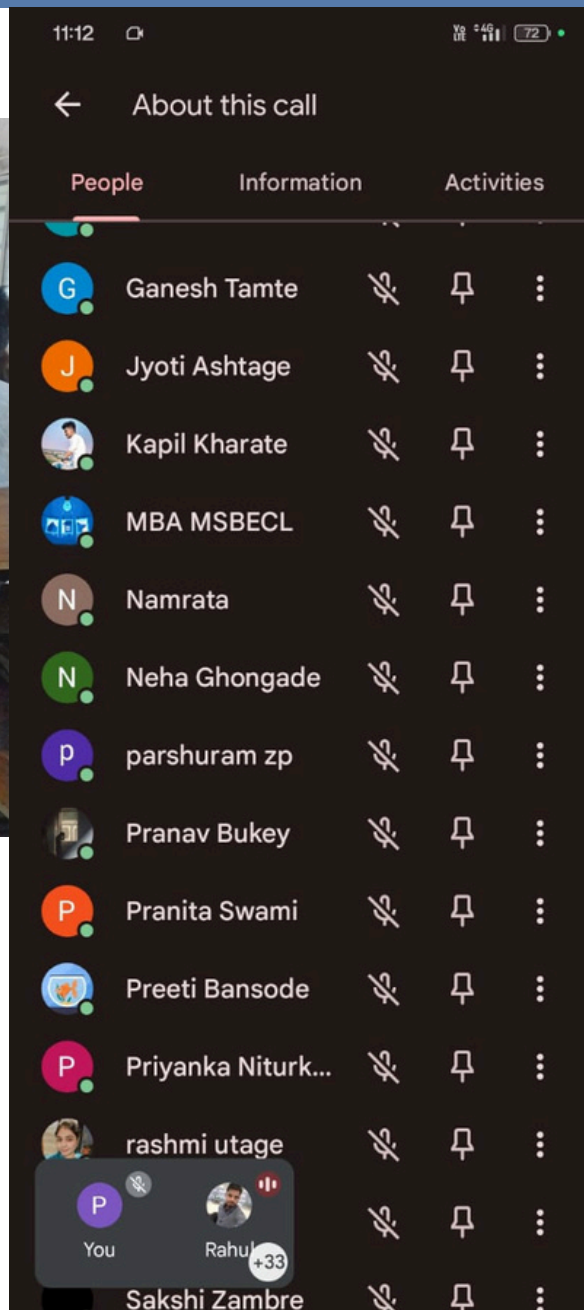

## Details of the Event

The program commenced with the formal introduction of the guest speaker, Mr. R. Pal, by the faculty members. The guest lecture covered fundamental concepts of cryptocurrency, blockchain applications, digital assets, and the evolving global crypto ecosystem.

Mr. Pal shared real-world industry insights, practical use cases, and career pathways available in the crypto sector, including roles in business development, compliance, analytics, marketing, and technology-driven finance. The session also highlighted required skill sets such as financial literacy, digital awareness, risk understanding, regulatory knowledge, and adaptability.

# EXPERT TALK-GUEST LECTURES & VALUE ADDITION- CAREER OPPORTUNITIES IN CRYPTOCURRENCY

An interactive Question & Answer session followed, where students actively participated and clarified their doubts regarding crypto investments, career prospects, global regulations, and future trends. The event concluded with a vote of thanks delivered by faculty members, acknowledging the valuable contribution of the resource person.

## Outcomes of the Guest Lecture

- Students gained valuable insights into cryptocurrency and blockchain fundamentals
- Enhanced awareness about career opportunities in the global crypto industry
- Improved understanding of future scope, trends, and challenges in digital finance
- Students became familiar with skills and competencies required for crypto-related roles
- The session bridged the gap between academic learning and emerging industry practices

# POSTER PRESENTATION ACTIVITY

## About the Activity

The MBA Department successfully organized a Poster Presentation Activity with enthusiastic participation from First Year and Second Year MBA students. The event was conducted as part of the department's continuous efforts to promote experiential learning, creativity, and student engagement beyond the classroom. The students presented posters on socially and professionally relevant themes such as Leadership Skills, Time Management, Women Empowerment, and the Role of Social Media. These topics encouraged students to connect management concepts with real-world issues and contemporary challenges.

## Learning Outcomes and Achievements

### Demonstration of Creativity and Analytical Thinking

Students showcased innovative ideas, logical structuring of content, and visual creativity in their posters, reflecting strong analytical and conceptual understanding.

### Enhancement of Communication and Presentation Skills

The activity provided an excellent platform for students to improve their verbal communication, confidence, and clarity of expression while explaining their concepts to faculty members and peers.

### Interactive and Engaging Learning Environment

### Recognition and Motivation

To encourage student participation and excellence, prize certificates were distributed to deserving participants, motivating students to actively engage in academic and co-curricular activities

# POSTER PRESENTATION ACTIVITY

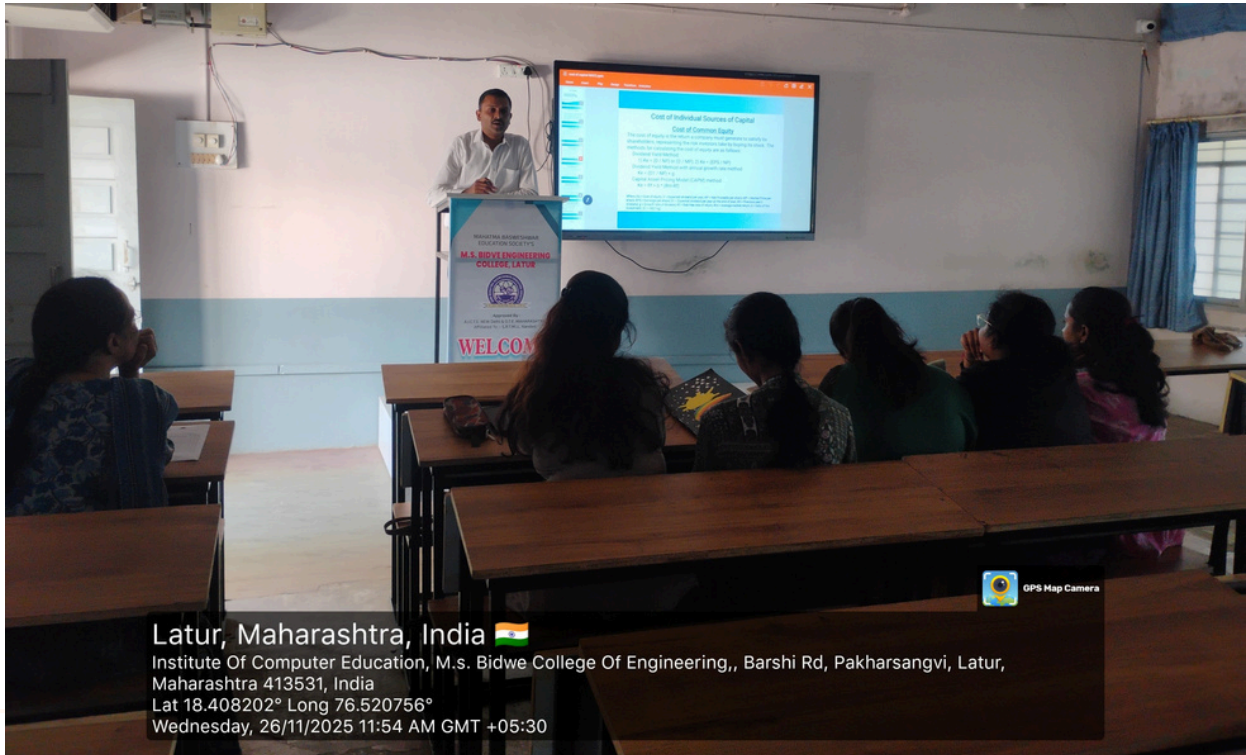

Interactive and Engaging Learning Environment Recognition and Motivation To encourage student participation and excellence, prize certificates were distributed to deserving participants, motivating students to actively engage in academic and co-curricular activities

# STUDENT PRESENTATION ACTIVITY REPORT

**Date: 26 November 2025**

**The MBA Department organized a Student Presentation Activity on 26th November 2025 as part of its continuous efforts to enhance student engagement and strengthen academic understanding through active learning methods.**

## Objective of the Activity

- To encourage active student participation in the teaching–learning process.
- To improve conceptual clarity of syllabus-oriented important topics and gaps.
- To enhance presentation, communication, and analytical skills among students.
- To promote peer learning and confidence building.

## Activity Details

Students were allotted syllabus-oriented important topics, focusing on key concepts and identified learning gaps.

Each student delivered a structured presentation supported by PPTs and reference materials.

Faculty members guided students in topic selection, content accuracy, and presentation delivery.

Interactive question-and-answer sessions were conducted after each presentation.

# STUDENT PRESENTATION ACTIVITY REPORT

## Student Participation

Active involvement of MBA students with well-prepared presentations.  
Peer interaction and constructive feedback encouraged collaborative learning.  
Students demonstrated improved understanding of core management concepts.

## Outcomes of the Activity

Improved subject knowledge and clarity on important syllabus areas.  
Enhanced communication, presentation, and public speaking skills.  
Increased student confidence and classroom engagement.  
Identification and reduction of learning gaps through peer discussion.  
Better preparation for examinations, seminars, and future professional presentations.
