Cordial Invitation:

Dear Distinguished Colleagues,

It is with immense pleasure and profound academic enthusiasm that we extend this formal invitation to the International Conference on "Role of Women in Skilling Communication and Gender Equality." This prestigious event is proudly hosted by the Department of Basic Science and Humanities at M.S. Bidve Engineering College, Latur, Maharashtra, India.

This conference is meticulously designed to serve as a dynamic and interdisciplinary platform for rigorous scholarly exchange. Our primary objective is to critically examine and illuminate the multifaceted ways in which women contribute to skill development, foster communication excellence, and drive the imperative for gender equality within the context of a rapidly evolving global society. We aim to facilitate a deep, analytical discourse that transcends conventional boundaries, exploring innovative strategies and impactful outcomes related to women's contributions across these crucial domains.

We cordially invite the active participation of Students, Faculty Members, Research Scholars, and Delegates from diverse academic and professional backgrounds. Your engagement is highly valued, as this academic gathering is structured to encourage meaningful and robust intellectual dialogue, share pioneering research, innovative perspectives, and evidence-based insights, foster collaborative learning, networking, and the formation of productive academic alliances.

We anticipate a conference that not only disseminates knowledge but also catalyses future research and policy action towards a more equitable and skilled global community. We look forward to warmly welcoming your presence at this significant scholarly confluence.

About College:

In consonance with the visionary ideals of Mahatma Basweshwar and Deshikendra Maharaj, the Mahatma Basweshwar Education Society (M. B. Education Society) was formally established in the year 1963 in Latur.

The M.B. Education Society holds the distinction of being one of the most venerable and reputable educational institutions operating within the Marathwada region. For over six decades, the Society has been committed to advancing educational access and promoting academic excellence across diverse disciplines. In pursuit of its mission to foster technical and professional education, the M.B. Education Society founded M. S. Bidve Engineering College (MSBEC) in Latur in the year 1983 to advancing technical and professional education. The institution offers a diverse portfolio of academic programmes, including Undergraduate (UG) and Postgraduate (PG) Engineering and Technology Programmes, which are affiliated with the Dr. Babasaheb Ambedkar Technological University (DBATU), Lonere, a unitary state technical university, and are approved by the All India Council for Technical Education (AICTE), New Delhi. Complementing its degree offerings, MSBEC also provides a Diploma (Polytechnic) Program affiliated with the Maharashtra State Board of Technical Education (MSBTE), Mumbai, and specialized Computer Application and Management Programs affiliated with the Swami Ramanand Teerth Marathwada University (SRTMU), Nanded, thereby operating under the rigorous academic framework of multiple prominent state bodies.

About Conference:

This International Conference is singularly dedicated to the critical examination and profound exploration of women's indispensable contributions in architecting a world characterized by enhanced inclusivity and fundamental equity. It serves as a scholarly nexus, meticulously designed to underscore the paramount significance of ensuring gender-responsive access to opportunities and developing effective, nuanced communication strategies as pivotal instruments for empowering women and driving the agenda of sustainable development. It furnishes a prestigious global platform for sophisticated discourse and the dissemination of pioneering research.

The central theme revolves around discussing and analyzing how women's skills, demonstrable leadership, and communication capabilities are actively and systematically transforming societal structures and economic frameworks worldwide. Through rigorous dialogue, advanced research sharing, and the initiation of collaborative initiatives, the conference is strategically poised to substantially reinforce global efforts dedicated to the attainment of Gender Equality. Ultimately, the collective endeavor aims to cultivate and promote a more just, equitable, and comprehensively empowered global academic community.

Submission Guidelines:

Delegates should make registration by filling up the Google form and mail their research papers @ internationalconferencemarch@gmail.com

- The first page of the research paper must contain the details of the Full name, Qualification, Designation, Affiliation, Brief and Appealing Title, Contact / WhatsApp Number, E-Mail Id (s).
- The Manuscript must contain the all-inclusive abstract or precise summarisation in around 150 to 200 words.
- At the bottom of the abstract some (4-5) Key words should be mentioned.
- The Manuscript must be plagiarism free, unpublished and it should not be even under reviewing / screening process somewhere and must contain the unique and quality content.
- The Manuscript should be prepared on A4 size paper in only MS Word.
- The title of the Manuscript should be bold in 14 Times New Roman point size with Caps.
- The font should be Times New Roman with 12 point size; single spacing with one inch margin at four sides of the paper should be chosen from Page Layout option.
- The word limit for the article is 15000-4000 words, inclusive of citation/references.
- Only the recent edition of APA/MLA style should be followed by the author (s) while preparing the Manuscript.
- The references taken from internet or web sources should be cited properly with all the requisite details in full URL.
- Needless beautification (borders, symbols, colour fonts, designing, etc.) in the Manuscript should be strictly avoided and the Manuscript should be prepared as per the given guidelines and format only.

All accepted research papers will be published in an international recognized refereed/peer reviewed & indexed e-journal

Main Theme & Sub Themes:

The overarching theme of the conference, "Role of Women in Skilling Communication & Gender Equality," is to explore the pivotal, multidimensional role women play in advancing skill development, fostering effective communication, and achieving true gender equality in the modern world. This event will serve as a dynamic platform to analyze how investing in women's vocational and professional skills not only elevates their individual economic status but also catalyzes broader socio-economic growth. Crucially, the conference will address the importance of women as powerful communicators—in leadership, advocacy, and community mobilization—to challenge biases and drive inclusive narratives. Finally, the discussions will focus on the intrinsic link between skill-building and communication, affirming their combined potential as essential tools for breaking down systemic barriers and accelerating the global movement toward a truly equitable society where women's contributions are recognized, valued, and amplified.

: Sub-Themes :

- Artificial Intelligence, Communication Ethics, and the Future of Women's Employability
- The Intercultural Communication Skillset for Women in a Globalized Economy
- Women's Communication Skills as Tools for Leadership and Career Advancement
- Skill-Based Education for Enhancing Women's Public Speaking and Negotiation Abilities
- Digital Communication and Media Literacy for Women in the 21st Century
- The Role of Higher Education in Developing Women's Professional Communication Competence
- Language Skills, Intercultural Communication, and Employability of Women in Global Markets
- Digital Communication Skills and the Closing of the Gender Leadership Gap
- Training Women in Professional Communication to Overcome Workplace Barriers and Achieve Equality
- Social Media and Digital Platforms: New Spaces for Women's Activism, Voice, and Skill Development
- E-Learning, MOOCs, and AI: Technological Pathways for Skilling Women Communicators
- Women Leaders as Change Communicators for Political Participation and Gender Equality
- Grassroots Communication and Advocacy: Women as Agents of Social Change and Community Leadership
- Communication Strategies for Effective Gender Sensitization and Promoting Gender-Inclusive Practices
- Women Entrepreneurs and the Power of Business Communication
- Cultural and Communication Ethics Barriers Faced by Women and Marginalized Groups
- Role of Storytelling and Indigenous Communication by Women in Promoting Gender Equality
- Measuring the Impact of Communication Skill Training on Women's Empowerment and Development Policies
- Literary Representations of Gender Equality and Inequity
- Gender, Trauma, and Narrative Form
- Queer Feminism and the Deconstruction of Gender
- Ecofeminism and Gendered Exploitation
- Digital Literature and Feminist Futures
- Masculinity and Gender Politics in Literary Texts
- Technical Storytelling and Stakeholder Communication for Visibility and Influence
